

Pool Opening

The pool is open from Memorial Day weekend through Labor day. This year those holidays fall on Saturday, May 29th through Monday, September 6th. We have contracted with West End Pools for basic maintenance and cleaning to be performed twice weekly. Pool rules, hours of operation, updates, and other pool related information can be found at the website.

The Savannah Lakes POA has hired Steve's Landscaping Services to provide mowing and landscaping of all the common areas. Mowing will take place weekly for the entrances and pool areas and bi-weekly for the ponds. Work will take place on Thursday evenings or Friday mornings allowing the neighborhood to look its best on the weekends. Other services such as spraying and fertilizing are also included. A complete schedule and more information can be found on the website.

Steve's Landscaping has been in business 20 years and is locally owned and operated. Steve and his crew will also be attending and participating at our community Spring Fling Event on April 24th.
