

# *Savannah Lakes Property Owners Association*

## *Summer 2010 Newsletter*

### Welcoming Committee

There will be hotdogs and other snacks at the Pool on Monday Sept. 6<sup>th</sup> (Labor Day Weekend) from 11:00am to 2:00pm

### Maintenance Committee

**Pond:** The committee is looking into maintenance issues at the ponds.

**Pool:** One of the pumps has been replaced and the sprinkler system has been repaired. **POSSIBLE RULE CHANGES:** The committee is considering changes to the pool rules (addressing pool parties and limiting the number of guests per member) for the 2011 season. If you would like to comment, please do so, on the Maintenance committee page on the website. If anyone is considering hosting a pool party (more than 6 guests) before the end of the summer, you must contact Jimmy Willeford, pool manager to discuss prior to. Please remember that the pool is cleaned everyday by your neighbors (who are **volunteers**), so please clean up your stuff when you leave!

### Board News

Tami Moore has been appointed to fill the empty seat on the board and will serve the remainder of this term.

### Architectural Committee

**APPROVED SHINGLE:** The shingle that is required by the Covenants is no longer available. The Board has approved the following as the replacement:

Timberline Prestique 30

Color: Weathered Wood

Manufacturer: GAF-Elk Corp.

This shingle is required for all new construction and all replacements.

### Communication

In an effort to reduce expenses and to provide frequent and current information, the website

**"Savannahlakes.org"** is becoming our official method for communicating with POA members. If you haven't already, please join the website and check it frequently for neighborhood news and information.

### Volunteers Needed

Interested in getting involved in the neighborhood??

Visit the website and find ways you can participate, OR contact a Board Member. We have a place for you!!

*Enjoy the rest of the Summer—The next member meeting will be scheduled in the Fall!*
